Credits and Appreciation

Many individuals gave their time and talent to insure that the 1977 All-State Band would be a valuable musical experience for the students involved. I am particularly grateful to the following:

The host families of the Smyrna School District

The Smyrna High School Administration

The Music Department of the University of Delaware

The Stage Crew

The Audition Committee

Participants in the Brass Choir

Sufficient credit is never given to a particular group of people who are in the audience this evening. For their years of patience, support, and encouragement — a special thanks to the parents of the young musicians who comprise the 1977 Delaware All-State Band.

Sally E. Sterrett
State Band Chairman

I would like to extend my personal appreciation to Martin Lassman of Friends School; succeeding State Band Chairman, for his tremendous effort in organizing an extremely well-qualified audition committee. Also special thanks to each member of the committee listed below.
